**Date:** 13/02/2026

**Organized By:** Polytechnic Department Faculty Members

#### **1.Introduction : -**

The Polytechnic Department organized an Entertainment Activities Event for the students of Engineering and Pharmacy streams to create a joyful learning environment and to reduce academic stress. The aim of this event was to encourage students to participate in fun activities, improve confidence, and enhance interaction between students and teachers.

#### **2.Objective of the Event :-**

The main objectives of organizing this activity were:

- To provide relaxation and entertainment to students.
- To enhance students' confidence and stage performance.
- To encourage participation and creativity.
- To promote interaction between students of Engineering and Pharmacy departments.

#### **3.Description of the Activity:-**

During the event, teachers prepared a bowl containing multiple chits with different entertainment tasks written on them.

Students were called one by one to the front, and each student picked one chit randomly from the bowl. The task written on the chit had to be performed by the student in front of the audience.

Various fun and entertaining tasks were included such as:

- Dancing
- Singing
- Tongue Twisters
- Mimicry
- Funny Acting
- Short Dialogue Performance
- Motivational Speaking

Students enthusiastically participated in the activities and performed their tasks with great excitement. The atmosphere was filled with laughter, joy, and positive energy.
