Report on Women Harassment Cell Awareness Meeting

Polytechnic (Engineering & Pharmacy) Department

Institution: K C Polytechnic, Pandoga, Himachal Pradesh

Department: Polytechnic (Engineering & Pharmacy) Department

Venue: Classroom

Date: 12/02/2026

Organized By: Women Harassment Cell, Polytechnic Department

Participants: Female Staff Members and Girls of the Polytechnic Department

1.Introduction

The Women Harassment Cell of the Polytechnic Department organized a meeting in the classroom to interact with the female students and discuss issues related to women's safety and harassment. The main objective of this meeting was to create awareness among the students and to provide them with a comfortable platform to share any problems or concerns they might be facing.

2. Purpose of the Meeting

The purpose of organizing this meeting was:

- To ensure a safe and supportive environment for female students.
- To encourage students to openly share any concerns related to harassment.
- To make students aware that the Women Harassment Cell is always available to help and support them.

3.Discussion

During the meeting, all the female staff members and girl students of the Polytechnic Department gathered together in the classroom. The faculty members encouraged the students to speak freely about any type of harassment or discomfort they might be experiencing inside or outside the department.

The teachers explained the importance of reporting any inappropriate behavior and assured the students that the department will always take necessary actions to protect them.

Students were asked individually and collectively if they were facing any problems related to harassment.

4.Feedback from Students

After the discussion, the girl students expressed that they feel safe and comfortable in the Polytechnic Department. They stated that the environment of the department is friendly, respectful, and supportive. No student reported any case or issue related to harassment.
