

Event Report: Inter-Departmental Quiz Competition

Institution: KC Group of Research and Professional Institutes, Pandoga, Himachal Pradesh

Organized By: Engineering Department

Venue: B-Tech Seminar Hall

Date: February 6, 2026

Time: 11:00 AM

Overview

On February 6, 2026, the Engineering Department of KC Group of Research and Professional Institutes (KCGRPI), Pandoga, hosted a vibrant and intellectually stimulating Quiz Competition. The event was specifically designed to enhance the students' grasp of General Knowledge and Current Affairs, ensuring they remain competitive in an ever-evolving global landscape.

Coordination and Execution

The competition was successfully organized under the expert guidance of the Engineering faculty members: **Er. Deepam, Ms. Sonia, Er. Akhilesh, and Er. Alka**. Their collective efforts ensured a seamless experience, from the curation of challenging Multiple Choice Questions (MCQs) to the management of the digital scoring systems in the B-Tech Seminar Hall.

Participation Details

The event saw an overwhelming response from the student body, reflecting a high level of enthusiasm for extracurricular learning.

- Total Teams: 27
- Team Structure: 2 members per team
- Total Participants: 54 students
- Total Questions 20 (No negative marking)
- Total marks 20

The quiz was conducted in English and focused on a broad spectrum of topics, including national politics, international breakthroughs, sports, and technological advancements. The MCQ format kept the competition brisk and demanded both accuracy and quick decision-making from the participants.

Results and Highlights

The first-year students displayed remarkable prowess, ultimately outshining their seniors.

The title of Winners was claimed by:

- **Anirudh Chandel (1st Year)**
- **Pratiksh Verma (1st Year)**

Their victory was a testament to their consistent reading habits and awareness of the world around them. The faculty members praised all 54 participants for their spirit of inquiry and sportsmanship.

Conclusion

The event concluded at the B-Tech Seminar Hall with an inspiring closing note by the organizers, who emphasized that such platforms are essential for building confidence beyond the classroom. The winners were awarded for their exceptional performance, marking the end of a successful academic gathering at KCGRPI Pandoga.
