Introduction

The Department of Management was organized a Guest Lecture on 27th March 2026. Mr. Gagandeep Singh Sahini, Director of Solitaire Infosys Pvt. Ltd. Mohali. He explained about the “Career Opportunities in IT Industry”. The students of KCIM actively participated. He gave orientation on current trends in IT industry, listed the various positions in IT sectors and preparation for the placement drives like how to prepare the objective questions with shortcut methods and technical areas

Objective

Our objective for conducting guest lecture is to bring conceptual knowledge, corporate experience and help students choose the right career path, according to their skills and interest. The objectives of this guest lecture in particular are:

- To make the students aware about the latest trends in Information Technology.
- To make the students understand the Career opportunities in IT sector.
- To provide a forum for students to interact with subject experts.

The key points of discussion were:

SMAC (Social Media, Mobile, Analytics and Cloud):

We got introduced with variety of tools like

- Social Media: Pinterest (Visual Discovery Tool)
- Mobile: Lyft (Your Friend with a car), Google Wallet
- Analytics: Detour (Discovering sensible pattern) everyday, to connect ourselves with the rest of the world, Hadoop, MongoDB.
- Cloud: Dropbox, Windows Azure, iCloud, Amazon, Coursera

Guest Lecture Structure

Today's lecture was divided into two parts:

- In first half, company representatives conducted an aptitude test for students assessing their skills, mental ability and thinking power. This test aimed to evaluate students' problem-solving capabilities, logical reasoning and cognitive abilities, providing insights into their suitability for various industry roles.

- Afterwards, they discussed career opportunities in industries, focusing on top picks. They highlighted key skills required and emerging trends, providing valuable insights for students. The session was interactive with students clarifying their doubts and learning about career paths. Overall, it was an informative session that broadened students' perspectives on industry expectations.
