

**Date: 20-02-2025/ 21-02-2025**

**Venue: KCGI ground.**

**Introduction:** Sports events are organized competitions, often involving athletes or teams that demonstrate skills and physical prowess, following specific rules and regulations. They range from small, local gatherings to large, international tournaments, all sharing the common goal of determining a winner and providing a form of entertainment. A sporting event is an athletic activity that requires skill, physical ability, and is usually competitive. It's governed by rules and organized by recognized sanctioning bodies or local organ.
